On my return to Headquarters after the [REDACTED] briefing of certain CS Branch and Staff level managers, I requested that each submit a critique of his impressions on the value of the briefing and comments re improvement. I have received several or more comments on this briefing, which are attached and forwarded for your information and retention.

Every visitor I talked with had a very positive reaction to the briefing. I believe we should do this at least twice a year, June and January, or thereabouts. Thank you for a first class presentation.
